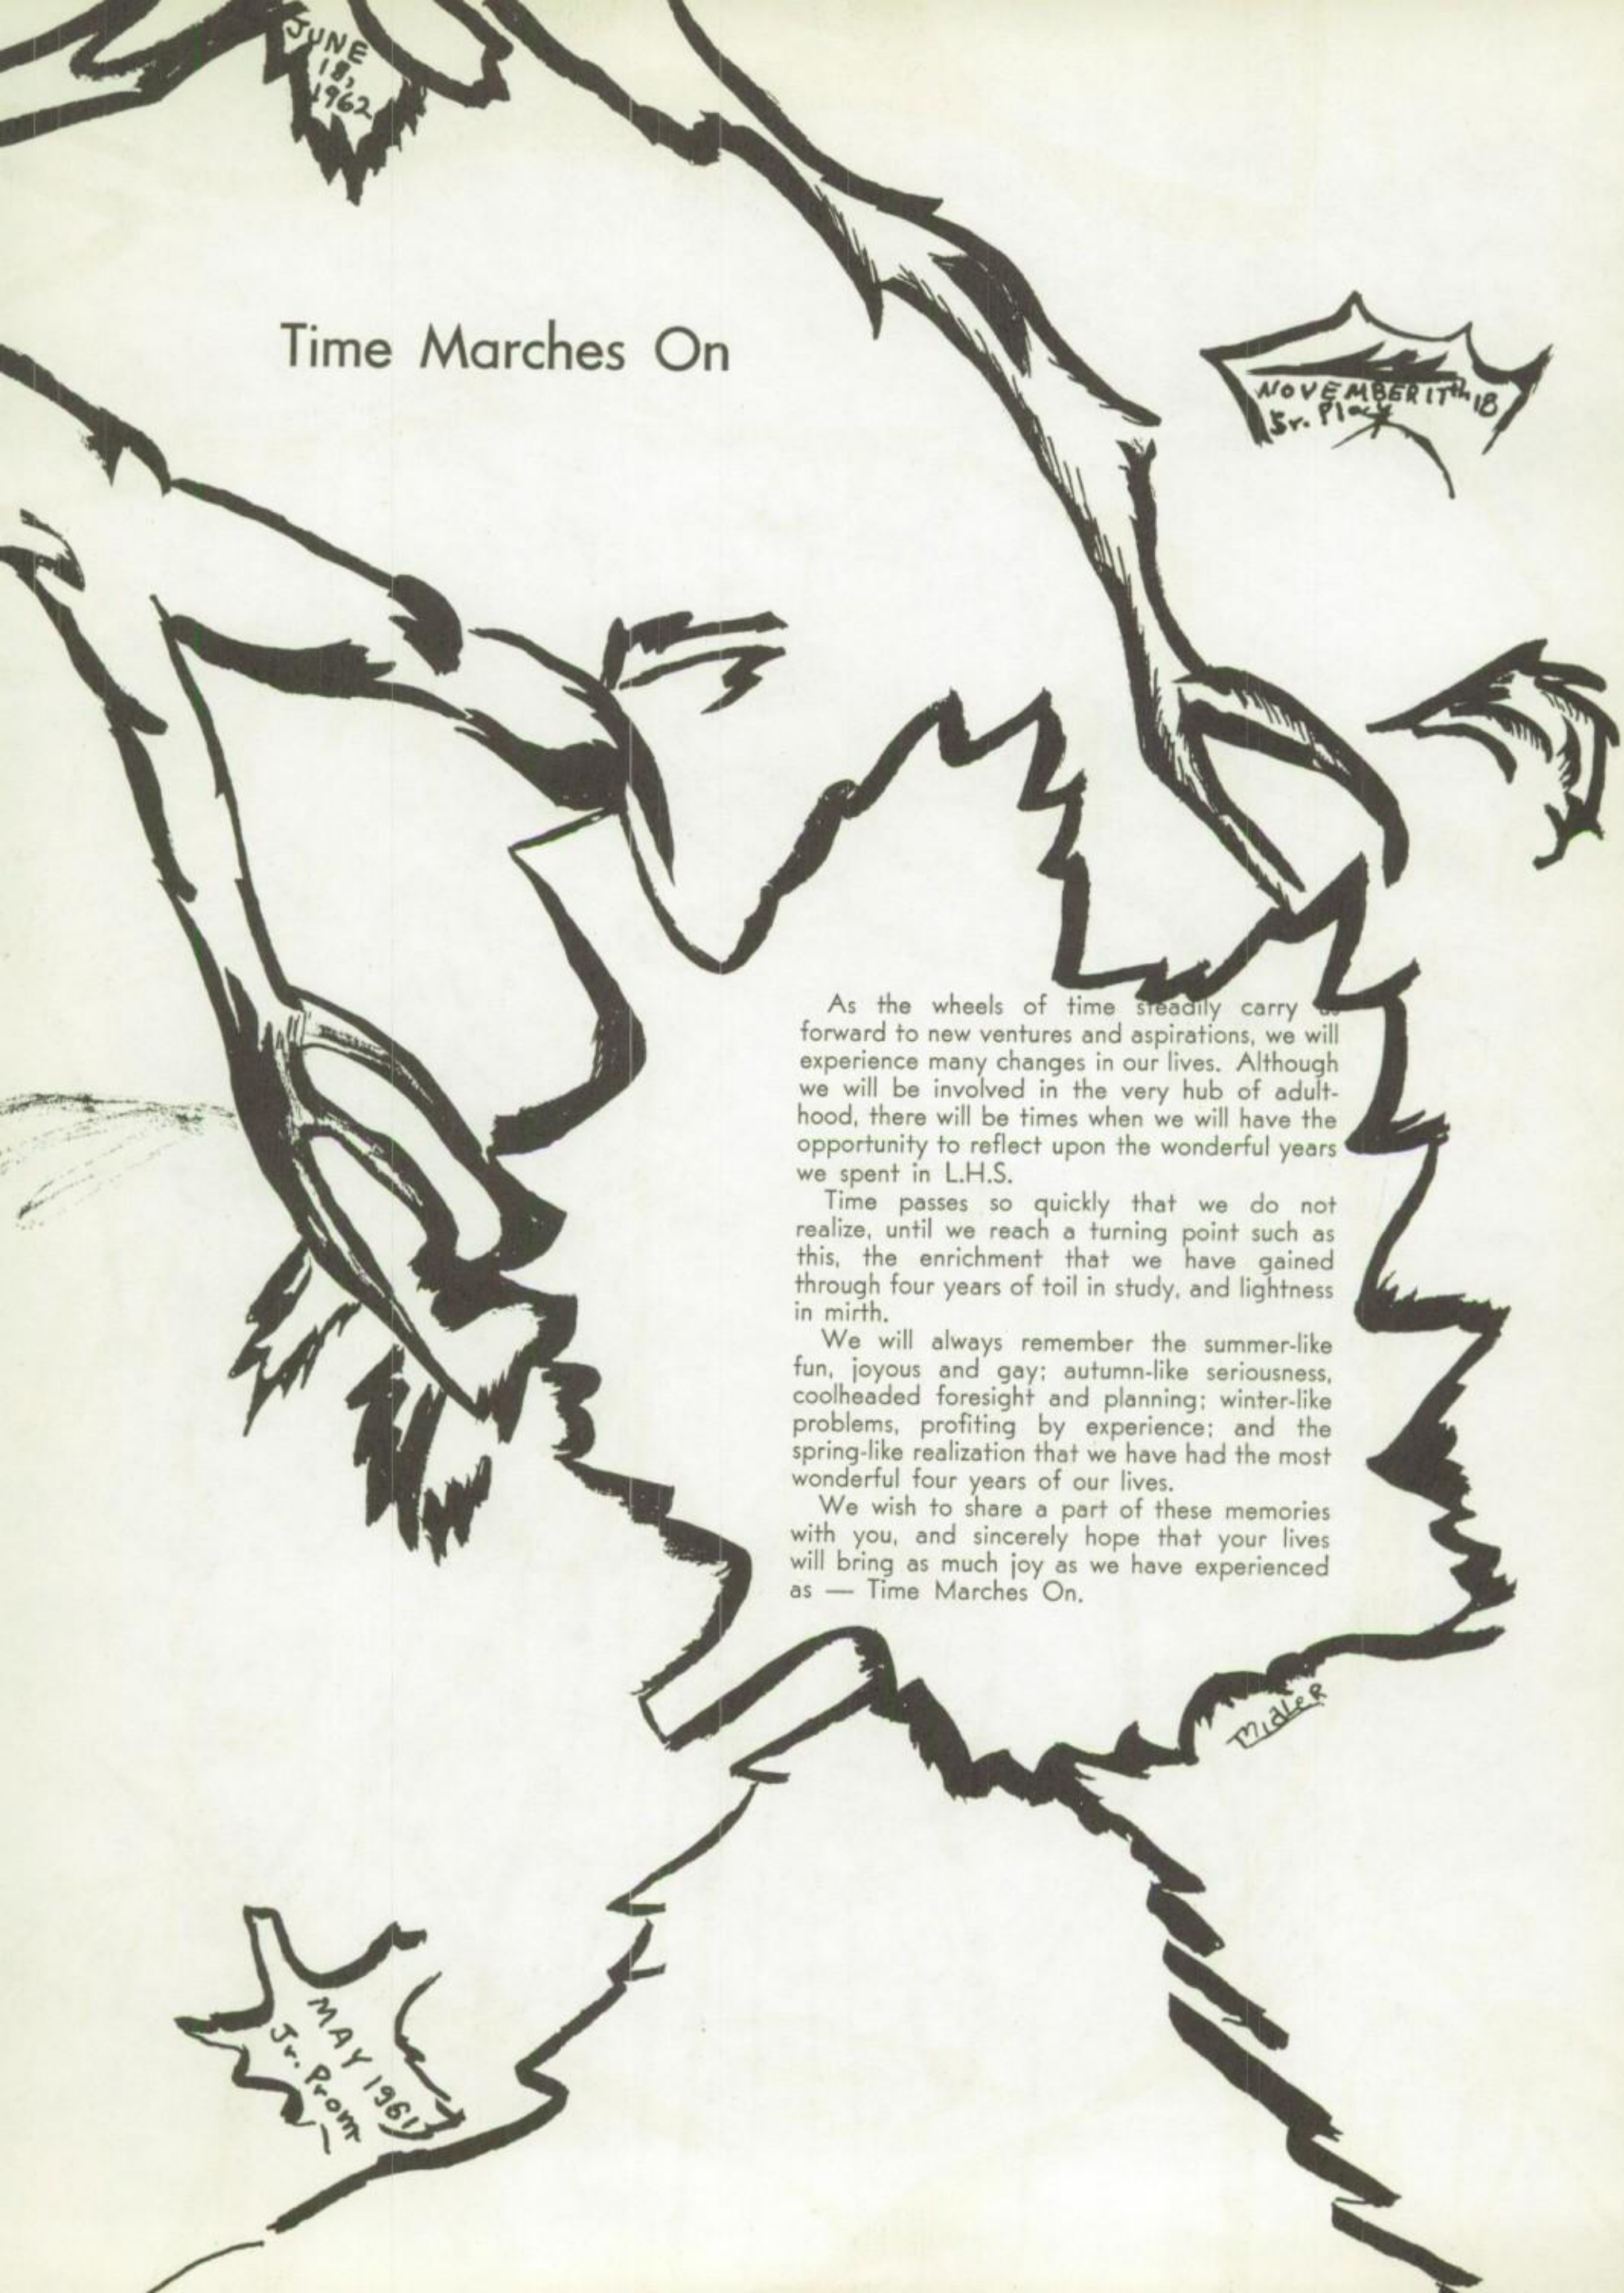
Time Marches On

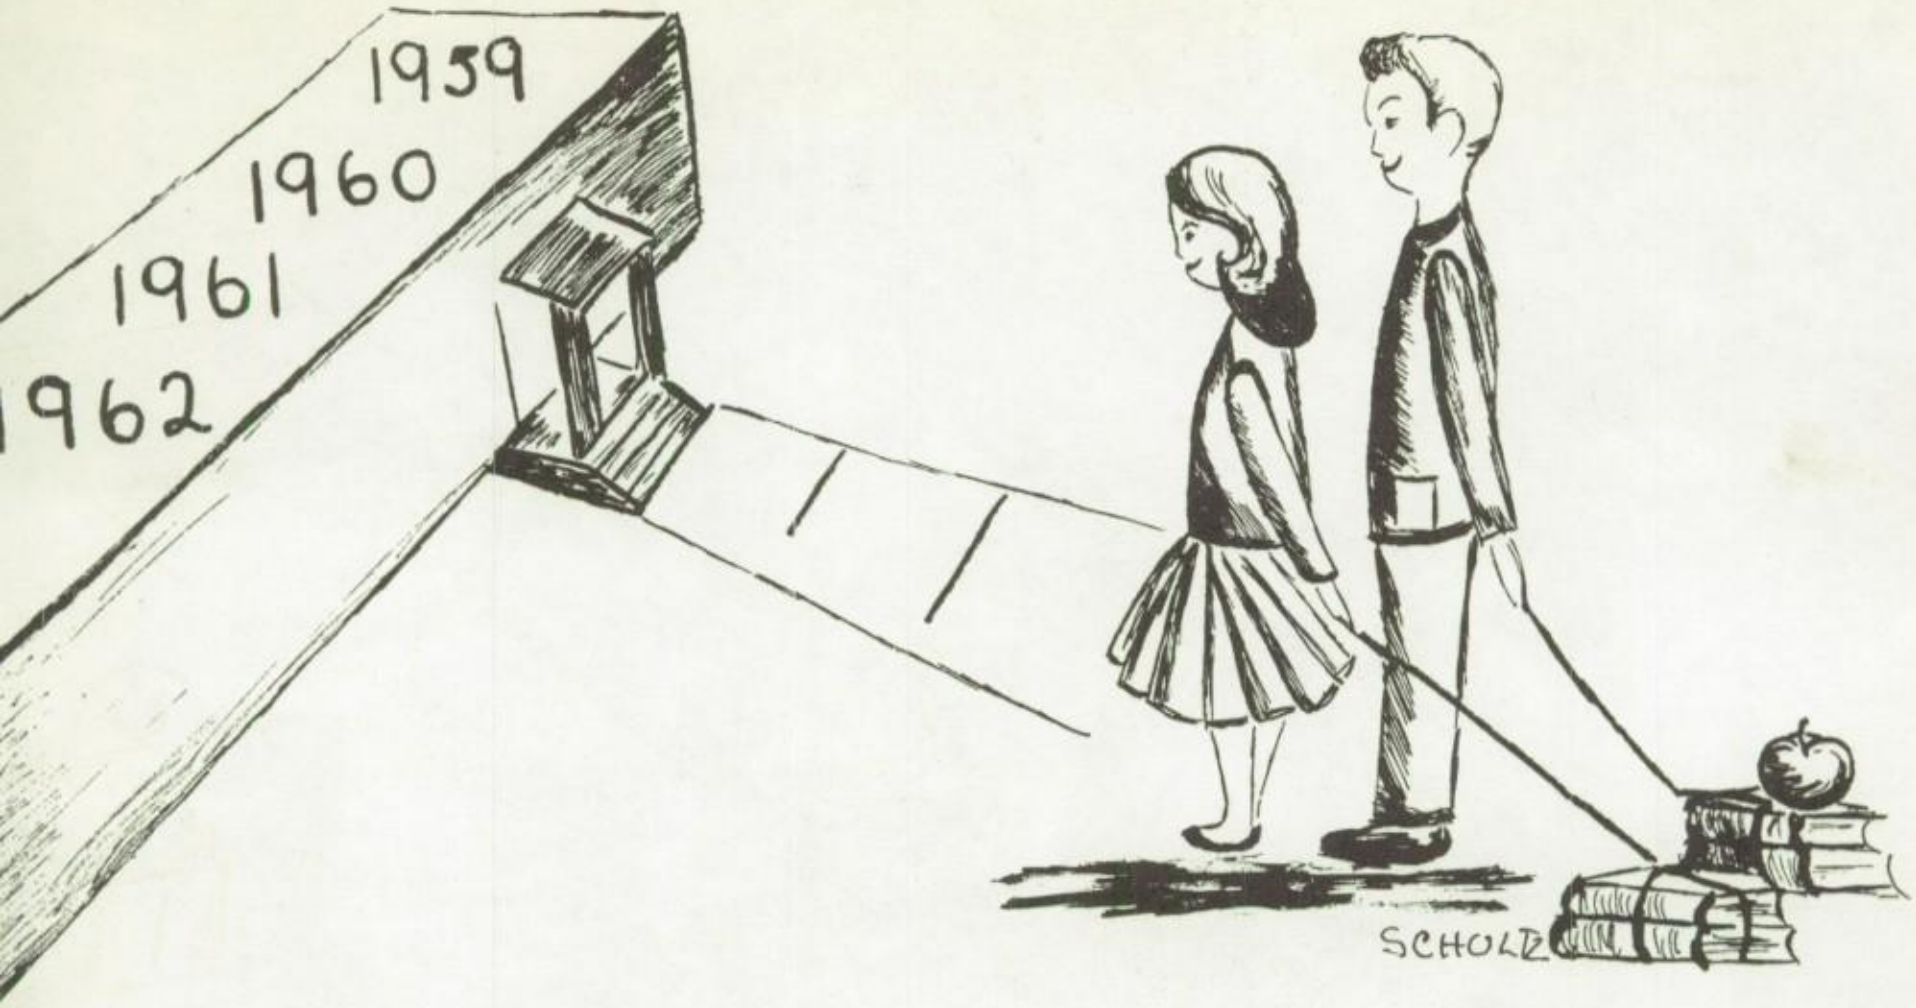


As the wheels of time steadily carry us forward to new ventures and aspirations, we will experience many changes in our lives. Although we will be involved in the very hub of adulthood, there will be times when we will have the opportunity to reflect upon the wonderful years we spent in L.H.S.

Time passes so quickly that we do not realize, until we reach a turning point such as this, the enrichment that we have gained through four years of toil in study, and lightness in mirth.

We will always remember the summer-like fun, joyous and gay; autumn-like seriousness, coolheaded foresight and planning; winter-like problems, profiting by experience; and the spring-like realization that we have had the most wonderful four years of our lives.

We wish to share a part of these memories with you, and sincerely hope that your lives will bring as much joy as we have experienced as — Time Marches On.



"The Happiest Years"

We, the graduating class of 1962, dedicate our yearbook to our school and what it has meant to us during our four years within its bounds, to the faculty who laid obstacles in our path that we might grow stronger by overcoming them, to the friendships that have changed our way of life, to the hours we spent on our assignments, to the fun and frustrations, to the work, and the play, to the feeling of belonging that has grown in each of us. In a sense, we are dedicating our yearbook to those forces which pulled us together for four years as one unit as a class. These years at L. H. S. have provided an enduring foundation of knowledge and friendship upon which a full, rounded life can be built. We have all shared experiences here which none of us will ever allow to slip from our memories. Thus, on graduation eve, we shall anticipate a degree of sorrow at leaving these precincts so dear to us.

Therefore, the aim of "Our Happiest Years" will epitomize through work and pictures the varied aspects of our high school careers, so that we can continually be reminded of the joys and disappointments, toil and play, and close friendship which has comprised this, the richest period of our lives.

Memory is the treasurer and guardian of all things.

"In Appreciation" to Mrs. Dickson

We, the Senior class, "In Appreciation" to you, Mrs. Alice Dickson, wish to express most sincerely our gratitude and thanks for your guidance through our four years of life at L.H.S. You have given assistance to our class, both individually and as a group. Under your direction, we have achieved the highest goals and attained recognition, both academically and socially as an active and progressive class of L.H.S.

For our dances, our Prom, our banquet, and for all the wonderful events and experiences of our "Happiest Years," we, the graduating class of 1962, say — Thank you —

Forward to the Future

"To My Pupil"
Beloved Pupil! Tamed by thee,
Addish=, Subtrac=, Multiptica=tion,
Division, Fractions, Rule of Thee,
Attest thy deft manipulation!
Then onward! Let the voice of Fame
From Age to Age repeat thy story,
Fill thou hast won thyself a name
Exceeding even Euclid's glory.

Message from Mr. Kane and Mr. Mac Lean

TO THE CLASS OF 1962

I hope as you leave Lyndhurst High School, that it be with a deep respect for learning. Whether you go on to college, industry or the commercial world, the desire to learn should be uppermost in your mind. Learning can be of a formal or informal nature.

I hope, too, that you will not be afraid to take on additional responsibilities because you fear possible failure. People would be a lot less sensitive about failure if they remembered it just doesn't matter except as a guidepost for oneself. Success is a bright sun that obscures and makes ridiculously unimportant all the little flecks of failure.

My best wishes for your success in your future life.

Let me extend to you congratulations and friendly wishes for future success. Your presence has enriched the school in the four years you have been here. We shall miss you for your enthusiasm, school spirit and the service you have given so unselfishly.

I hope your memories of these years at Lyndhurst High School are full of friendship, truths learned, and work accomplished.

The four years you have spent at Lyndhurst High School have been but a preface to the future. Your teachers and parents have watched you mature from awkward, unsure teenagers, to eager, effervescent young adults.

May you always carry with you the fine attitudes, achievements, and knowledge you have gained in these four years. Never forget the joys, sorrows, trials, and tribulations of your high school days. These memories and experiences will help you achieve the heights and aspirations of your dreams.

Embarking upon a new career such as you are, will require you to seek solutions to numerous, and perhaps highly complex problems.

May I present a thought for your consideration —

Your life may be further enriched if you remember one three letter word — "PEP"

The letters stand for "perserverance," "energy," and "persistance." Apply all three diligently to your work and play, and surely your success in life will be insured.

May I extend my best wishes to the Class of June, 1962, for a healthy, happy, and fulfilling life of service to yourself and to mankind.

Sincerely,
THOMAS J. GASH, Dean

Message from Mr. Gagliardi and Mrs. Dickson

TO THE CLASS OF 1962,

And then you are seniors! You will never forget frantic nights studying for college boards, or the weeks spent in creating and organizing term papers, experiments in physics, final exams, and the final act of dressing in caps and gowns to receive well-earned diplomas.

Though your high school days are at an end, a new chapter in your lives is beginning. Your paths will lead in all directions. Look brightly and step high toward your future, knowing that if your high school years serve as any indication of the character you displayed in high school, success will follow each path — wherever it may lead.

God bless you all.

MRS. ALICE DICKSON

TO THE SENIOR CLASS:

Our association during the past four years has given me many pleasurable and stimulating experiences. I have watched you mature physically, emotionally and mentally to the threshold of adulthood. I have witnessed the strong bond of friendship and pride you have shown in your school and class. You have also displayed a fine co-operative spirit and a high standard of values.

Now, you are about to join the larger group, the alumni, in an age of astronauts, missiles and satellites. The world is turning over to you so much "unfinished business." My greatest hope is that you have every chance to develop the qualities you will need most. These are vision, imagination and courage. Through vision, you will see things as they are. Through imagination, you will dream greatly of things that may be. Through courage, you will act boldly to make your dreams come true.

Congratulations!. May your hopes and dreams be realized in the fullest degree, and in the years to come, may your names reflect credit upon this institution which has been your home during the formative period of your lives.

Sincerely yours,
MRS. ALICE DICKSON

Message from Yearbook Advisors

MR. PATERNO

TO THE GRADUATES,

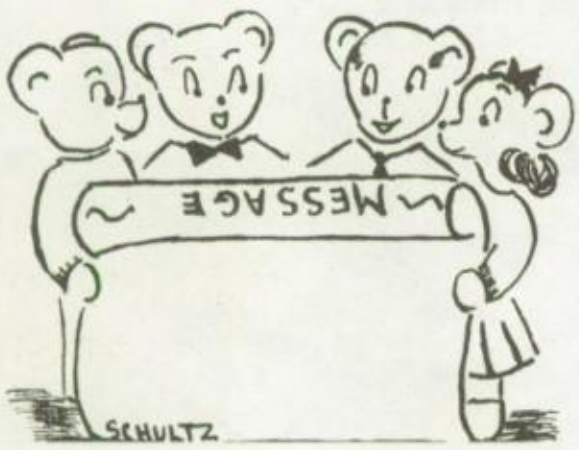
In working together during the past year, we have experienced a pleasant association which shall always hold fond memories for me.

I feel that we have acquired essential facts which should guide us along a smoother pathway in life. We have learned that that which is worthwhile requires work, that cooperation is essential for a successful common venture, that organization and planning are needed to attain a definite goal, and that pleasure must sometimes be set aside until a job is finished.

All these things we learned while compiling a yearbook which contains memories of a most important phase of your life. However, they should not be forgotten; for these same ingredients are necessary for the compilation of a successful and prosperous life after you have closed the doors on adolescence and opened the doors to adulthood.

I would like to extend my best wishes to all of you, and congratulate you on a job well done.

V. PATERNO
Yearbook Advisor



To the Graduating Class of 1962,

It has been an enlightning and an enjoyable experience working with you. You have shown perserverance, fortitude, and reliability when encountering the many problems that have arisen in the past year.

We feel confident that these attributes will remain with you to provide success and happiness in the future.

Best Wishes,

THE GUIDANCE DEPARTMENT

Under the able direction of Mr. Frank Gagliardi, the Guidance Department has been of great assistance to us. Those in this department were always eager to answer our numerous questions and solve our perplexing problems.

With the limited information our sponsors had concerning us, they have been able to point us in the best direction toward a successful future.

We are sincerely grateful for the assistance which was given to us while attending Lyndhurst High School. The goals we shall attain, will be partly due to the help which our counselors have offered us. We will never forget them.

Our sincere appreciation to you for all the wonderful things you have done in the past and will continue to do in the future to keep L.H.S. operating smoothly. All the clerical work you have done for the school and the personal help you have given the students proves how indispensable you really are.

Mrs. M. Muhleisen

HEALTH DEPARTMENT

Our health department is a one "man" team, without which we would be lost. While on duty, Mrs. Mulheisen would always provide personal understanding besides her professional skills.

Always there in our time of need, we can never forget our own, "private" nurse.

Mrs. J. Tully

Mrs. C. Patterson, Mrs. A. Crupi, Mrs. M. Vendola.

CAFETERIA WORKERS

During the morning you skillfully "prepared" all the wonderful "goodies" that we love to eat. You added many "flavorings" to all the delicious preparations that you have made for our "food-craving" bodies.

After eating all the wide varieties of foods that you have "cooked" for us, you patiently cleaned up the "cafeteria" — washing the shelves, tables and stove to make everything sanitary clean for another day's meals.

Our many thanks and appreciation goes to you for providing our "lunchtime" with all the wonderful foods.

CUSTODIANS

The busy men in gray, our custodians, always have a friendly smile for everyone. These gentlemen can be found helping some student or doing a favor for one of the faculty. They also are kept quite busy by sweeping, dusting, and polishing to keep our school clean and pleasant. To them, many thanks for all their help during the four years we have known them.

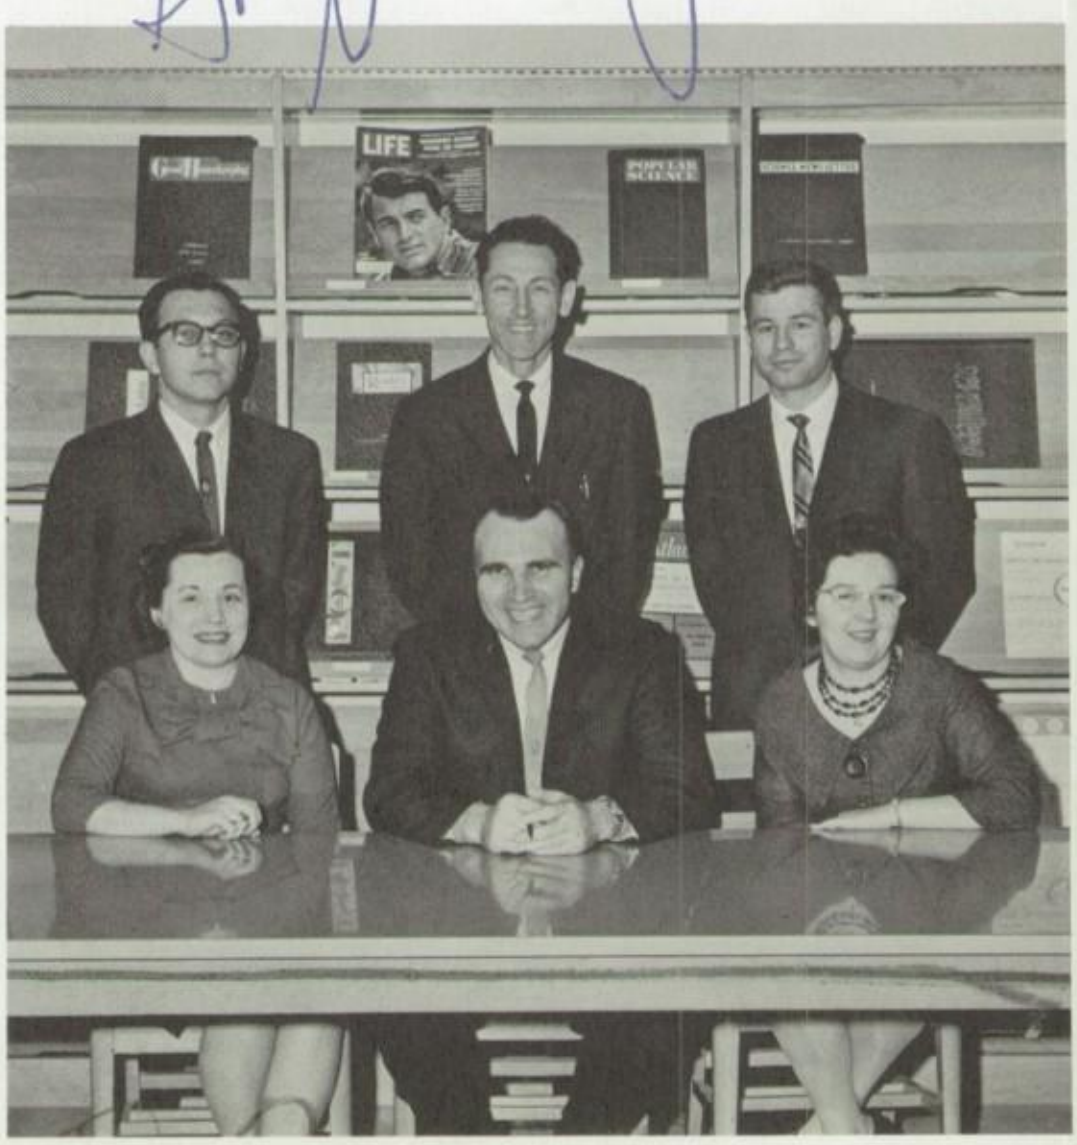
ENGLISH DEPARTMENT

Much appreciation to you for enlightening our lives and minds through the fascinating world of literature. We have explored, in four years, centuries of the world's greatest achievements. From King Arthur's court to Macbeth's castle, we analyzed human nature while we learned to apply the knowledge we found to our own lives. We will surely draw upon our "treasure chest" of priceless literary gems, in our chosen careers.

SOCIAL STUDIES DEPARTMENT

A universe is ours to span and you have helped us on our way. You have provided transportation and passports to lands, exciting, intriguing and inspiring.

We have fought for our independence, re-united our war torn nation and brought peace after a world-wide war. We were part of yesterday's world. By taking part in the affairs of yesterday, you have equipped us to be intelligent, democratic citizens of the future. Many thanks for your aid in building a strong foundation for us — the history of tomorrow.



Seated, left to right: Miss Berhowsky, Mr. Morris (Dept. Head), Miss Wall. **Standing, left to right:** Mr. Sochko, Mr. Lustbader, Mr. Contey.

FOREIGN LANGUAGE

You skillfully gave us knowledge of the many foreign languages by "directing" us towards the understanding and appreciation of culture.

The "mood" was set when you "idiomatically" checked our "reflexives" in "conversation." You taught us the history of the countries and the geography of the lands whose native tongue we sought "to transcribe."

For all this knowledge you gave us, we express our "thanks" by saying "Muchas Gracias," "Grazie," "Merci," "Danke Schane," and "Gratias Agamus."

Robert, I hope you don't waste the many talents you have. I wish you the best of life always. A Belostoski

COMMERCIAL DEPARTMENT

Upon entering high school, you educated us in "General Business Training" as a necessity to understand the business world. You aided us in leaving the "home keys" and in "shifting" our skill to speed and accuracy. We became aware of our "phrasealogy" through our "brief forms" of conveying knowledge. The "transcription" of words to paper gave us the necessary background for a position in business. Thanks to you, we acquired our education of office routine by "centering" our thoughts on the "cutting of stencils" and the "calculating of numbers." We appreciate everything you have taught us and will apply your teachings to our chosen fields.

Left to Right: Mr. Wis, Miss Wall, Miss Broadwell, Department Head; Mr. Sandler, Mr. Eustice.

MATHEMATICS DEPARTMENT

Math is a complicated puzzle, but through your understanding and willingness to help, we managed to learn a great deal about it.

This is a subject that we will undoubtedly come in contact with in the future, and when we do, we will think of you.

"Bob"
Best of luck
in everything you do.
R. Wis.

SCIENCE DEPARTMENT

In the future, science will play an important part. With all the knowledge we have acquired from you, we are now ready to "zoom" off into the big, wide world of tomorrow.

We will explore new adventures and perhaps make a few "discoveries" of our own. Thanks to you, we now have some idea of what life really is.

Leisure time can be fun and also useful. For the lucky teenager who has spare time, opportunities await in "simmering" in the kitchen; "sketching" on easels;; "whittling" at wood; or "pinning" a pattern. These activities add to an enjoyable life and maybe a worthwhile future.

The amount of physical fitness and alertness that you have helped us attain will prove useful in our future lives.

Class History

"We, the Seniors?" Is it possible that four short years ago these words were only a far distant dream to us, the wide eyed Freshmen? As we passed through the portals of L.H.S. for the first time, few of us considered that in four years we would pass out of these same doors — for the last time.

A whole new world was opened to us. As hardy Freshmen we endured "split session" and soon grew accustomed to our new way of life. How well we remember our Freshman Party, held in the old gym. This was our first, perhaps shaky, but definitely, the first step into our social life as students of L.H.S.

Under the guidance of Mrs. Dickson, our sponsor, we campaigned and elected our first class officers:

President — Mike Spino
Vice President — Anthony Di Staulo
Treasurer — Joseph Biasucci
Secretary — Lucille Milici

These officers began to make us a definite part of the organization of L.H.S. Time went by and we found ourselves planning our first class dance "The Turkey Trot" which will hold many wonderful memories for us all. The year came to a close and with great anticipation, we awaited our second year at L.H.S.

Our Sophomore year began and found us as confident "old pros" in our high school world. We nominated and campaigned enthusiastically for our officers:

President — Louis Carlascio
Vice President — Joseph Biasucci
Treasurer — Leonard La Magna
Secretary — Patricia Mitchell

These officers worked with Mrs. Dickson to organize our class into a closely knit part of the student body of L.H.S. Our class dance, "Swing Into Spring" was a success and became another pleasant milestone in the history of the class of '62.

Our Junior year brought the excitement of class rings, the Prom and the realization that we were finally under-classmen! Our officers:

President — Frank Di Pasquale
Vice President — Michael Spino
Treasurer — John D'Agostino
Secretary — Susan Ciandella

and the entire Junior Council planned and worked for many hours to make our Prom, "The Starlight Serenade," held at the beautiful Westmount Country Club, an unforgetable evening. We will recall our Prom with many wonderful memories. In May, twenty-five very proud Juniors were inducted into the National Honor Society adding still more honor to the class of '62.

Our Junior year ended and "we, the Seniors" began to make our final year our best. We became aware perhaps with some sadness, that there would be no next year at L.H.S. and we diligently turned our thoughts and ambitions to the future — college, careers, perhaps the service. Led by:

President — John D'Agostino
Vice President — Joseph D'Onofrio
Treasurer — Mike Mangano
Secretary — Harlyn Behrman

"We, the Seniors" climaxed the wonderful history of the Class of '62 with our Senior Play "Tammy Tell Me True," our Senior Farewell Dance which sadly reminded us of the close of many wonderful times was near. As we enjoyed our Senior Banquet, Class Trip, and finally our Graduation Day, with saddened hearts and dampened eyes, we terminated the history of the Class of '62, and closed our high school life as "We, the Seniors."

In Retrospect

We heard as we went walking by
The busy halls in Lyndhurst High,
  The hustle, bustle school-day song
  Of students rushing all day long;
  Of teachers, diligent, sincere,
  Guiding with a patient ear.

We saw as we went strolling by
The pink-tiled halls of Lyndhurst High,
  The active live life to its peak;
  The insecure find goals to seek;
  The gay ones laughing, on a lark;
  The brilliant scholars make their mark.

We knew as we went drifting by,
Away from dear old Lyndhurst High,
  That all good things, in time, must pass.
  But, mem'ries of our Senior Class
  Will prove to be the sweetest source
  Of recollection in life's course.

We've reached a goal; we've understood
The four years past were fine and good.

Junior Promenade
of Lyndhurst High School

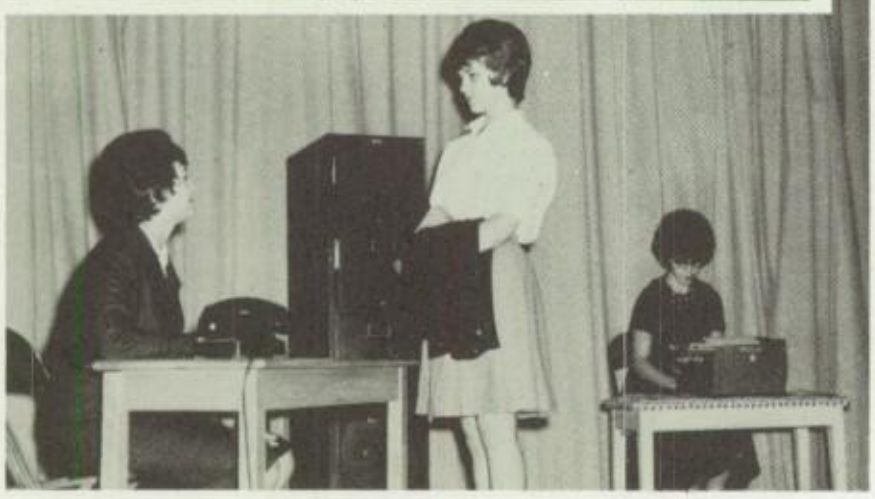
Rifle Camp Road, West Paterson
Friday Evening, May 12, 1961
Reservation $20.00

Our Junior Prom, "Starlight Serenade" which was held on May 12, 1961 at the Westmount Country Club was a night we will never forget. It was important to us in the respect that it belonged solely to us, the Juniors. We are the people that financed it, advertised it and made it what we wanted it to be, a success.

We danced and laughed somewhat starry-eyed to the lilting music of Mel Arnold and his society orchestra. As the night went on we sat in awe as the judges chose Phyliss Mariano, Queen, and as her "Ladies in Waiting," Elaine Sexton, Harlyn Behrman, Rosemarie Gallo, Rosemarie Geramita, Lois Bromiski and Antoinette Scerbo.

All the little souvenirs we cherish, the dalmation and the place cards to name a few, are among the memories that were built around a secret hideaway in a mountain setting make a vivid picture of a night we will never forget.

Senior Play



On the nights of November 17 and 18 the senior class of Lyndhurst High School presented the Broadway success, "Tammy Tell Me True." It was directed by Mr. Phil Allocca and his student director Roz D'Andrea.

Starring in the title role was Cathy Henderson as Tammy. Playing major supporting roles were Joe Biasucci, Leatha Sturges, Phil Ciarco, Ellen Hannagan, Mike Mangano, Roe Geramita, Marianne Purcell, and Joe D'Onofrio.

The story, written by Cid Ricketts Sumner and dramatized by Anne Coulter Martens, concerns a shanty boat girl from the Mississippi who enrolls in a large Southern college to "git some learnin' " and, because of her lack of 'book knowledge,' finds herself looked down upon by the know-it-alls on the campus and by her true love, Pete Brent. She is befriended by a stern, wealthy woman, Mrs. Call, and testifies in Mrs. Call's behalf in a sanity hearing for the latter, brought on by Mrs. Call's greedy niece, Sandra Rook. Tammy's greatest attributes, honesty and wisdom, enable her to win the respect of the college people, and the love of Tom Freeman.

"Tammy Tell Me True" gives excellent insight into human behavior. The story is poignant, but lively enough to life one's spirit. The cast of characters is as follows:

Tammy ..... Cathy Henderson
Tom Freeman ..... Tom Rafferty
Mrs. Call ..... Leatha Sturges
Pete Brent ..... Phil Ciarco
Sandra Rook ..... Ellen Hannagan
Grandpa ..... Mike Mangano
Rita ..... Marianne Purcell
Joey ..... Joe Biasucci
Miss Jenks ..... Roe Geramita
Prof. Everett ..... Joe O'Onofrio

Other roles are held by Mary Ellen Cassidy, Virginia Groenveld, Carol Lembo, Glenn Sumpmann, Donna Morici, Helen Liss, Lenny La Magna, Pete Scerbo, Janet Neglia, Lou Galli, and Pat Roote.

Others include Alan Yurkiewicz, Mickey Spano, Marilyn Muhleisen, Jackie Logan, Roe Gallo, and Johnny Quinn.

With Coach Eddie Zak as the guiding light, the 1961 Golden Bears football squad became the only varsity team to finish with a winning record in 1961.

In the opening game of the season, a large crowd gathered to see the Golden Bears devour the Rutherford Bulldogs for the last time by a score of 19-13.

As the season progressed, the gridders posted a 5-4 mark by defeating Lodi, Union Hill, Central and Passaic in addition to Rutherford, while losing to Eastside, Clifton, Garfield and East Rutherford.

Serving as honorary captains of the team were Joe Meilillo and Frank "Bud" McSweeney. Carmin Tirone, a Junior, accounted for 794 yards in total offense in addition to 30 points.

Mr. Zak's coaching staff was composed of Joe Cipolla and Donne Divine, handling the junior varsity team and serving as his assistant. Frank Ruggiero, Sr. and Wid Painter served as Freshman coaches.

Post season honors went to Don Colabella, voted team's top lineman, and Frank Di Pasquale, the best backfield performer.

School Spirit

One of the intangibles which makes a school outstanding in various areas is the pride shown by the student body. This pride is an innate feeling which is manifested by the cheerleaders, twirlers, band, and colorguard and, through their efforts, transmitted in such a way that it becomes contagious.

We at Lyndhurst High School are fortunate to be represented by this capable faction of the student body who so ably express the emotions and pride of all.

Standing, left to right: Cathy Henderson, Mary Ann Vizzi, Roe Caputo, Carol Mikolitch, Eleanor Powell, Mary Ellen Cassidy, Elaine Cheeseman, Arlene Castles, Joan Cookson, Linda Thomas. **Kneeling:** Harlyn Behrmann, Head Majorette; Jane Krause, Captain.

Basketball

The 1961-62 Golden Bears varsity basketball team, coached by Harold "Buck" Brown began the season with high spirits. In the first game of the season, our fighting Bears lost by only one point to a tough North Arlington squad, the final score being 56-55.

The next few games resulted in raising the hopes of the squad by showing just what the cagers could do. However, a sudden twist of fate brought much disappointment to the entire team. Due to sudden illness and injury, several of the team's outstanding cagers were barred from play.

Captain, Lou Carlascio, Mike Spino, and Vic Tamara were the only three returning lettermen. At the completion of the season, Lou Carlascio was awarded the foul shooting trophy.

The record of the 1961-62 "five" doesn't tell the entire story. Several close losses and tough breaks did much to help hinder the progress of the cagers. However, this was not a squad to be ashamed of. Although this was not a championship team, it was a true Lyndhurst team — spirited, hard working and above all, well trained.

Coach Harold Brown

VARSITY BASEBALL TEAM

Baseball

Under the tutelage of Frank Ruggiero, Sr., this year's baseball team has had a fine start. From all indications this should be a very successful season for our team which features the return of several veterans; Ray Roche, Robert Gareffa, Tom Rafferty, Mike Spano, Joe Melillo, and Larry Semega.

In the first game of the season, Lyndhurst beat Belleville by a score of three to one. This game showed Lyndhurst to have a very good defensive squad with fair to good hitting. However, whatever the results of the future games will be, we are sure that our team will be a spirited one with good discipline, sportsmanship, and a burning desire to win.

We, the class of 1962, wish this team the best of luck, and feel certain that the spirit of team cooperation shown on the field will certainly be carried out by our boys throughout their lives.

Asst. Coach — WID PAINTER

As this book goes to press, our 1962 track team has been involved in one meet, losing to Don Bosco High School by a score of 54 to 50. We did score a majority of first place winners, but unfortunately, we did not take enough second and third places. Some of Coach Joe Cipolla's boys are inexperienced but before too long Mr. Cipolla will have balanced their inexperience with the spirit of old L.H.S. and this should result in a successful season.

Returning seniors on this track squad are Frank DiPasquale, Mike Spino, Joe Lepore, and Chuck Di Staulo.

Freshman-Sophomore Basketball Intramural Champs.

Junior-Senior Intramural Champions

Senior Inter-Class Basketball Champions

The Girls' Intramural Program tor this year was very vigorous and exciting. Under the excellent supervision of Mrs. Savino and Miss Lamb, we were able to participate in a wide variety of sports.

The volleyball tournament began in the fall. The games were held every Tuesday from 3:20 until 5:30. The final champions in the Junior-Senior division was Rosemarie Gallo's team, with Doreen Ondic's team capturing the Freshman-Sophomore Title.

At the end of the season, the best players from each class are put on teams to challenge each other. The winners, of course, were the strong seniors, with Cathy Henderson as captain.

Soon after the volleyball season ended, we found ourselves caught in the thrill of an exciting basketball tournament.

The next exciting activity on our sports calendar was the running of the obstacle course. Cathy Henderson, a senior, ran it in 23.3 seconds.

In the Foul-Shooting Contest, the winners from each class were (1) Senior — MaryEllen Cassidy, (2) Junior — Barbara Coronato, (3) Sophomore — Regina Niwenizin, who also was the school champ; and for the Freshman was Jean Coffrey.

The rest of the sports calendar was filled with table tennis matches, softball, and archery.

The intramural program is sponsored by the Girls' Leaders Club and Girls' Leaders Aide. The members have all done a wonderful job of refereeing, scoring, and timing all the activities.

Our heartfelt thanks go to all those who helped to make Girls' Sports so enjoyable and exciting during these past four years. We would especially like to express our deepest appreciation to Mrs. Savino and Miss Lamb for all the time and effort they have spent planning the intramural program in order to make it so enjoyable.

GIRLS' CHORUS

A beautiful, pleasant vocal sound rises in the air, perfectly blended, melodiously harmonious; a sound of one voice in many pitches. However, it is not one voice but the voices of eighty different girls singing as one.

It is very difficult indeed to capture this sound in words, or to describe its effect. It suffices to say that these girls exemplify the attitude, spirit, enthusiasm, and devotion of all Lyndhurst High School students to their Alma Mater.

The F. T. A. of Lyndhurst High School is affiliated with the National Future Teachers of America. This organization provides, for those students interested in the teaching profession, the opportunity to evaluate their potentialities as future teachers.

The F. T. A. members are privileged to meet and hear prominent educators, view instructive films, and attend various teacher's colleges. They also have the special opportunity to substitute for teachers in the local elementary schools.

Oklahoma!

The Broadway smash-hit musical, "Oklahoma," was presented on the L.H.S. stage Friday and Saturday evenings, March 16 and 17, 1962. Under the direction of Mr. Phil Allocca, Mr. Don Covert, and Miss Rosemary Lamb, the production was an exciting theatrical experience, full of laughs, superb music, and top-flight dance routines.

The story, based on Lynn Riggs' play, "Green Grow the Lilacs," was composed by Richard Rodgers, with lyrics by Oscar Hammerstein, II.

The show first opened in the St. James Theatre, March 31, 1943. It has been seen and heard by more people than any other musical in theatrical history. Its audiences have exceeded ten million.

The story, in brief, is that of the courtship of the pretty Laurey Williams by the bashful but manly rancher, Curly, and the attempts of the sinister and ugly Jud to break up the romance. Adding bright patterns to the story are Ado Annie, the girl who couldn't say no, her beau, Will, and the various cowboys, traveling salesmen, and girls, such as one might have found in Oklahoma at the turn of the century.

Starring in the L.H.S. production of "Oklahoma!" were the following students:

Laurey ..... Linda Polase
Curly ..... Wayne Pfimmer
Ado Annie ..... Ellen Hannagan
Will ..... Alan Yurkiewicz
Aunt Eller ..... Chuck Di Staulo
Carnes ..... Russell Bonadonna

Class of 1962 — taken in 1958

The years fly by at such great speed that we find it difficult to realize that we entered this institution as juveniles, and left as grown-up, mature adults.

The picture shown above serves as a permanent reminder of a time gone by. Although this picture is an inanimate thing, it speaks very clearly and loudly of the beginning of a wonderful, exciting and fruitful era in our lives. It shall always hold fond memories for us and we shall refer to it in the future to relive events of our happiest years.
